

Denne Meyer is a leading Intellectual Property (IP) Service Provider with more than 50 years' experience, offering the broadest range of IP services globally. Prestigious corporations and law firms are placing their trust in our tailor-made solutions: high-quality Portfolio Services, IP Consulting, and cutting-edge Software Solutions, such as our DIAMS iQ, combining a client-server solution and a web-based application. Working in unison with Denne Meyer & Associates, an international law firm specialized in IP, we offer a worldwide single point of contact for the full range of IP services.

In order to enhance our global presence,
we are currently recruiting for our Munich office a

Senior IT Business Analyst (f/m)

Your tasks:

- Provide a bridge role between IT and the business, communicating and translating between different perspectives or views about business operations using different vocabulary to match those views
- Elicit business requirements using interviews, document analysis, requirements workshop, surveys, site visits, business process descriptions, use cases, user stories, scenarios, business analysis, competitive product analysis or task and workflow analysis
- Document or map business processes targeted to change both current and future states, as well as the next steps and other related outcomes
- Drive opportunities for business process improvement and propose solutions
- Closely work together with Software Architects

Your profile:

- Degree in information technology, business information systems or similar degree
- Experience in the Intellectual Property sector is an asset
- At least 5-8 years experience as IT business analyst
- Knowledge of project management methodologies (e.g. PMBOK, Prince2) and agile software development methodologies (e.g. SCRUM, KANBAN)
- Excellent analytical and conceptual skills and aptitude for problem solving
- Strong team player
- Excellent interpersonal, verbal and written communication, including great presentation skills
- Ability to work within high-performing virtual teams and highly collaborative
- Strong spoken and written English (German and/or French language skills are an asset)
- Ability to travel and stay abroad at customers' sites for an extended period of time

We offer you:

- The opportunity to build a long-term career in an international and intercultural working environment
- An open, team-oriented and creative working atmosphere with flat hierarchies and a quick decision-making process

If you feel motivated to develop a long-term career in a multicultural work environment, **please apply online or via e-mail at jobs@denne Meyer.com** stating clearly the title of the position in the subject.
